4. 4TH QTR LEADERSHIP TRAINING INSTITUTE

On October 3-5, 2024, Kyle Tang and I held our third Leadership Training Institute of the year at Ta Bok Church, Ta Veng Town, Rotanakiri province with 35 leaders. After LTI we presented two scooters from Church of the Pacific to our pastors. We also started two house churches, Kong Nok and O'Krongol village, Rotanakiri.

5. 4TH QTR VISITING, ENCOURAGING AND PRAYING FOR CHURCHES

One of the major needs for our house churches is visiting, encouraging them, and praying with them. This 4th QTR our team went to Rotanakiri, Battambang, Banteay Meanchey, O' Dor Meanchey and Siem Reap. We poured our hearts out to them and lifted them up!

6. 4TH QTR BROKE GROUND AND PLANTED 5 NEW CHURCHES

This 4th QTR we planted five churches, three churches in Banteay Meanchey province, and two churches in Rotanakiri province. For 2025 our pastors, lay pastors, and leaders have the same goal as in 2024, to plant another 5 new churches! Before I left Battambang our pastors and I went to break ground and pray for our church building at Sopheap village, O'Dor Meanchey. Also, we prayed for our leaders and their members and distributed Bibles to children and adults along with medicines, sun glasses and school supplies.

As servant and team leader, I am so thankful to God our Heavenly Father who brought our teams together from different churches. I am so grateful for each team member who made a difference in the lives of many Cambodians. Because of His grace, we experienced the bond of love and unity in the team, and we worked hard together in the field. We opened our hearts to one another, we shared our needs and problems, we laughed, we wept, we encouraged one another, we prayed for one another, and we watched over one another. We experienced the touch and transformation from God, and through the ministry of our team, we baptized 83 new believers in this 4th QTR of 2024.

On behalf of the team and the people of Cambodia, I want to again express my gratitude to God and to you who made this 4th QTR trip so meaningful. You have made a difference in the lives of many Cambodians. Thanks again for your faithful prayer and financial support for Hope For Cambodia.

May God richly bless you!

Yours in Christ,

Christopher D. LaPel
